

## Website Sponsorship Opportunities

For interested groups and individuals, Girls With Sole has sponsor levels to help support our programs and services as well as help promote your own operation on our website. Besides adding your information to our site we offer various packages for each sponsor level. This is a chance to get recognized for your role in GWS and let our site visitors know of the wonderful partners we have.

We hope you can join us and be a part of our GWS site sponsor page.
